WHEELER B. MELIUS AWARD

The Wheeler B. Melius award is given to a NYALGRO member who demonstrate outstanding service to his/her local government and New York's records management community. The award is named after Wheeler B. Melius who worked in the Albany County Clerk's office in the latter part of the nineteenth century. He gained his notoriety when on February 10, 1880, he was the first to reach the burning Albany City Hall which housed an immense quantity of public archives and legal records. Melius began to pass precious volumes of land records through a narrow window to volunteers outside. Singlehandedly, Melius passed 700 volumes - nearly six tons of charred and often soaking outsized books out of the building.
